Encouraging youth entrepreneurship

Seminar Pembangunan Usahawan Muda is a program organized by Shah Alam UMNO Youth Wing to encourage young generation to explore more on online entrepreneurship as the platform possess a wide range of domestic and global market networking.

The program took place at Dewan Anggerik UBSA, Pusat Dagangan UMNO Bahagian Shah Alam on 7 May 2017. MYNIC constantly supports any initiative to encourage digital media application in entrepreneurship as MYNIC also innovates and provides such platform in the industry which include for small medium enterprise (SME), creative content, corporate and government.

As one of the speaker during the one (1) day event, MYNIC represented by Encik Talib Sabri Sulaiman, gave a talk on "Usahawan Langit Terbuka" which encourage people to utilize digital media in their marketing strategies that involve domain name and website development, social media management and also advertising and promotions.

Engrossing creativity with community

Ngaraku: Kreativiti@Komuniti is back once again this year! A nationwide road tour event that was held in various locations organized by the Ministry of Communications & Multimedia Malaysia (KKMM) in collaboration with Ministry of Sports & Youth together with various related agencies.

MYNIC was one of the exhibitors that has participated in the previous Kreativiti@Komuniti that was held in National Youth Skill Institute (IKBN), Kuala Langat on 19 - 21 May 2017. The program includes various interesting activities such as exhibition, performances by local artists and sharing session.

Ngaraku: Kreativiti@Komuniti is a program to amplify creative content industry especially among youth in the rural area which highlights on certain industry related mechanism such as talent and skill development.

MYNIC conducted several entertaining activities at the booth such as magic show, Gold Man cosplay and also offline registration for MYBUDDIES RUN 2017. The closing ceremony was officiated by Encik Nik Kamaruzaman Nik Husin, Undersecretary for Content Development Division, KKMM.

WTISD 2017: Big Data for Big Impact

In conjunction with this year World Telecommunication and Information Society Day (WTISD), Ministry of Communication & Multimedia Malaysia (KKMM) together with related agencies has organised an event to celebrate the significant day at national level.

With a theme, Big Data for Big Impact, WTISD 2017 was held at Pusat Internet Desa (PID), Tanjung Kling, Melaka on 20 - 21 May 2017 officiated by YB Dato' Dr Mohd Ali Mohamad Nor, Deputy Secretary General (operation) for KKMM.

The two (2) days event received more than thousands crowds filled with various fascinating activities which includes sharing

session, games and competition, exhibition and local band performances. Among activities that became the main attractions during the event was Telecoms Tower Building Competition, seminar on Girls in ICT and WTISD Colouring Competition.

Besides exhibiting its role and function at the booth, MYNIC took the opportunity to engage with community with several interesting activities such as magic show and Silver Man cosplay which gained a lot of attractions.

Leverage & integrate your success through e-Commerce

For this year Exabytes Ecommerce Conference 2017, MYNIC has participated as Diamond sponsors, in line with MYNIC continuous effort to leverage the importance of eCommerce in driving nation's economic growth.

Exabytes Ecommerce Conference 2017 is an annual conference event organized by Exabytes Network Sdn Bhd to engage with latest trends, developments and technologies in eCommerce whilst establishing networking platform between industry peers and eCommerce heavyweight.

Over 300 eCommerce players gathered in the seventh conference that was held at Malaysian Global Innovation & Creativity Centre (MaGIC) on the 24 May 2017.

The conference began with a welcoming remark by Mr Chan Kee Siak, CEO and founder of Exabytes Group and the followed by several presentation and panel discussion by 22 great speakers which include Sam Shafie (pitchIN & WatchTower & Friends), Amirul Mokhtar (EasyStore), Esther Zhen (Uniqueens), Kanika Argawal (Passion Peers) and many more.

Besides joining the fruitful conference, MYNIC also had the opportunity to promote #HargaDomainGilerCrazy, a domain name promotion that offers discount up to 75% and also several latest eCommerce product which include Business Online Bundle (BOB) and KREATIFMARKET at the booth provided for the sponsors.

MYNIC is ISO/IEC 27001:2013 ISMS certified company
